

# Packet Technologies puts partners in a spin

**DISTRIBUTOR PACKET TECHNOLOGIES** held a Drive Rush stunt driving day in December for 10 resellers, rewarded for selling Exinda products.

Held at North Harbour Stadium in Albany, the resellers were taught how to perform 180 degree and reverse spins, along with precision speed-parking between cars.

One of the stunt cars used on the day.

Symon Thurlow from Plan B, Matt Watson of Sky TV, Ann Campbell of Auckland Regional Council, Frank Ollie from Packet Technologies, Laurence Taylor of Origin IT, Richard Coggins of Gen-i and John Crawford of Packet Technologies pose for a group shot.
